Nordic Workshop on Tax Policy and Public Economics

Uppsala, October 23-24, 2008

CALL FOR PAPERS

Dear Nordic colleagues,

Following the format of earlier Nordic workshops, we are organizing a new Workshop on Tax Policy and Public Economics for participants from the Nordic countries. The workshop will be held at Uppsala University, 23-24 October, 2008. The purpose of the workshop is to bring together Nordic scholars who are interested in empirical or theoretical research in public economics to present and discuss their recent work. We aim to include some 12-14 papers in the programme, all of them with discussants.

Professor **Wojciech Kopczuk**, Columbia University, has kindly agreed to give a keynote lecture during the workshop.

Please submit your paper in pdf-format before **May 5, 2008** to Katarina Grönvall: katarina.gronvall@nek.uu.se. The decision on acceptance will be communicated within four weeks. PhD students and young researchers are especially encouraged to submit their work.

The organizing committee will finance all the local arrangements (accommodation, meals, between-meals, etc.) for all participants. We will do this from a grant for the workshop generously provided by Jan Wallanders och Tom Hedelius Stiftelse. We will also be able to cover transportation expenses for one speaker for each paper.

Please circulate this Call for papers among any of your Nordic colleagues who might be interested in the topic (including PhD students). We hope to receive many submissions!

We look forward to seeing you in Uppsala!

Yours sincerely,

Sören Blomquist Matz Dahlberg Eva Mörk
